EDUCATION

Ph.D. in Economics	2020 - Present
Concordia University, Montréal, Canada	
M.A. in Economics	2018 - 2020
Concordia University, Montréal, Canada	
B.A. in Economics	2014 - 2018
Shanghai Customs College, Shanghai, China	

RESEARCH INTEREST

Game Theory: Matching Theory, Mechanism Design
Applied Econometrics
Empirical I/O

WORKING PAPER

'Progressive Choices in School Choice Problems'

'Towards a Better Major Assignment: An Empirical Study with Students in China'

PRESENTATION

Workshop: Agents' behaviour in combinatorial game theory, CRM Montreal (Virtual), Nov 2021

PROJECT

Matching Simulation Framework with Homogeneous Priorities for School Choice Problems, Coding in MATLAB (available in Git-hub)

ACADEMIC EXPERIENCE

Research Experience
Research Assistant	Shanghai Customs College, 2018
	Concordia University, 2023

Teaching Experience
Teaching Assistant	ECON 612 Microeconomics I, Concordia University, 2023
	ECON 464 Game Theory, Concordia University, 2022
	ECON 461/561 Industrial Organization, Concordia University, 2022
	ECON 614 Game Theory, Concordia University, 2022
	ECON 422 Econometrics II, Concordia University, 2022
	ECON 201 Microeconomics, Concordia University, 2021
	ECON 203 Macroeconomics, Concordia University, 2020
	ECON 201 Microeconomics, Concordia University, 2020

PROFESSIONAL EXPERIENCE

Analyst Intern, KYC Periodic Team, KPMG Advisory (China) Limited, Shanghai, China, Jan 2017- Feb 2018
Market Research Assistant, Tebon Securities Co., Ltd, Shanghai, China, Aug 2016- Jan 2017

GRANTS

Professor Jaleel Ahmad Scholarship, Concordia University, 2021-2022
International Tuition Award Excellence, Concordia University, 2020-2024
Graduate Fellowship, Concordia University, 2020-2024
Outstanding Undergraduate Thesis, Shanghai Customs College, 2018

LANGUAGE
